THE PLAYERS

Early Tuesday morning, as nightclub workers stumbled into the stark sunlight and shop owners hosed off sidewalks, a South Beach landmark came full circle.

Once the land of the vodka-cran (and other party substances), it was just reborn as Jerry's Famous Deli, serving up its first batch of eggs, pancakes and matzo brie while the mayor of Miami Beach did the ribbon-cutting thing and the preservationists cheered the return of the old place to its Art Deco glory.

If you were on the party scene when South Beach blew up in the early 1990s, you remember the place as Warsaw, the cavernous nightclub that regularly hosted blinged-out celebs and a sea of sweaty Ken dolls.

If you were cooler than that, and around for the very beginning of the renaissance in the late 1980s, you remember it as Club Ovo, China Club or Rhythm Club.

If you're a holdout of the blue-hair set (not punk blue, but retiree
